School District Finances

This chart shows how we spent our money as a district in the 2006-07 school year. Instructional costs include books and classroom materials. Student support includes counseling, transportation and food service. Administration/operations includes principal salaries and the cost of janitorial services. Building/equipment and debt service include the costs of school facilities.

DISTRICT SPENDING

How our students do on state tests is just one way to measure their academic achievement. * You can compare the percentage of our students that meet or exceed standards on statewide tests to the statewide percentage. You should also look at how this year's results compare to previous years'. The Illinois Standards Achievement Test (ISAT) is the state test administered to students in selected elementary grades. The Prairie State Achievement Examination (PSAE) is the state test that students take in the 11th grade.

Adequate Yearly Progress

The No Child Left Behind Act and Illinois law require the State to measure whether our school is making Adequate Yearly Progress (AYP). AYP is based on the percent of students that meet/exceed standards on state tests, both as a whole and by different subgroups. Schools must also meet minimum attendance or graduation rates. If a school does not make AYP in the same subject area for two consecutive years, it is identified for School Improvement.

Is this school making Adequate Yearly Progress (AYP)?	Yes
Is this school making AYP in Reading?	Yes
Is this school making AYP in Mathematics?	Yes

Has this school been identified for School Improvement according to the AYP specifications of the federal No Child Left Behind (NCLB) Act?	No
2008-09 Federal Improvement Status	
2008-09 State Improvement Status	

* The 2007/2008 school year is the first time that Limited English Proficient (LEP) students, who would have taken the IMAGE in the past, took either the ISAT or PSAE with accommodations; therefore, any comparison with previous years' achievement levels for this subgroup and their schools and school districts should be made with appropriate caution.
