August 3, 2021

Dear Eagle Ridge Families:

I'm writing today to provide an update on the 2021-2022 school term as it pertains to the length of the school day and the possibility for a remote learning option.

Beginning August 11, 2021, the Carbon Cliff-Barstow School District (Eagle Ridge) intends to have **full** days of school **five** days a week (8AM-3PM). All students will be required to attend in-person. **If you have not registered your student they WILL NOT be able to attend school until they have fully registered.**

The District is waiting further guidance from the Illinois State Board of Education as it pertains to whether or not a remote learning option will exist for a small, specific percentage of our student population. **If a remote option is provided to a student, the student will be assigned a tutor and they will use an online curriculum provided by a third party vendor.**

The district will continue to make modifications and/or changes for the 2021-2022 school term based on the most current guidance provided by the ISBE and IDPH. All changes and/or updates will be communicated to our parents and guardians.

Thank you for your continued support of our schools.

Regards,

Eric Lawson, Superintendent
