Eagle Ridge Families,

With the most recent decision to reverse the mask mandate by JCAR, all Eagle Ridge students and employees will NOT be mandated to wear a mask at school until further notice. As a parent or guardian, if you wish to have your child continue to wear a mask the district will fully support your wishes. All student bus riders will still be required to wear a mask due to the Federal Mandate.

As a district we will continue our sanitation procedures to keep our students and employees as safe as possible. In the event that your child is not feeling well, please make sure to keep them home until any symptoms or the illness subsides.

Lastly, we once again are in uncharted times. As we wait on additional guidance from the Governor and/or IDPH we will proceed as instructed by the entities that oversee the school districts in the State of Illinois.

We appreciate your support through these challenging times and look forward to providing the safest environment for our students and staff to succeed!

Regards,

Mr. Eric Lawson
Superintendent
